## WORKPLACE DISCRIMINATION, HARASSMENT & RETALIATION

### FILIPPATOS PLLC

Filippatos PLLC combines decades of legal experience with patience and compassion to effectively advocate for employees from all walks of life. The firm tenaciously represents clients across all industries as they speak truth to power and stand up to discrimination, harassment and retaliation.

Filippatos PLLC's approach delivers powerful results that lead to lasting change, recovering over \$135 million on behalf of hardworking individuals. Among the firm's recent successes is a \$12 million public settlement on behalf of Abby Grossberg, a former Fox News senior producer who courageously spoke out against discrimination and sexual harassment at the multibillion-dollar network.

Employees who have been treated unlawfully need a team that knows how to level the playing field. With empathy and tactical expertise,

founding partner Parisis G. Filippatos has been fighting for workers for 32 years. His team of visionary attorneys stands ready to secure employees the justice they deserve.
